Dear Sponsor

These are difficult financial times for so many of us. No one understands that more than the ***Auburn Enlarged City School District***. Our school is struggling to balance their budget and continue providing a quality education to the nearly 5,000 children enrolled in Auburn Public schools. They need our support!

The Auburn Education Foundation was established in 2004 to assist Auburn Schools in moving from an average educational facility to achieving educational and social excellence. To date, we have funded over 45 innovative projects reaching students in every school and at each grade level within in our public school system. In order to continue our assistance bringing vital educational and social enrichment programs to our students, we need your help.

I urge you to join us as a sponsor in the AEF 7th Annual Golf Tournament. This tournament serves not only as a vital fundraising tool for our Foundation, but also as our most valuable public awareness campaign. Hundreds of our district employees and administrators and perhaps thousands of our local community members are exposed to the work of our Foundation and sponsors through tournament publicity and local press coverage.

By becoming a sponsor you will be promoting your company to a group of people who are very loyal to their sponsors, as well as many area parents, teachers and local business professionals who will be participating at the event itself. Your sponsorship will show friends, neighbors and colleagues that your company is committed to our children's education throughout these difficult financial times.

Our 7th Annual Golf Tournament will be held on Monday, June 28, 2010 at scenic Dutch Hollow Golf Club. Please take a look at this year's sponsorship opportunities and consider giving generously. We are incorporated with 501 (c)(3) status so you can be assured you contribution to our organization is fully tax-deductible.

For more information about how the Auburn Education Foundation is helping our students achieve educational excellence please visit our website at www.auburneducation.org.

Best Wishes,

Annette
