*Three Cups of Tea: One Man's Mission to Promote Peace ... One School at a Time* (2003)

*Stones Into Schools: Promoting Peace with Books, Not Bombs in Afghanistan and Pakistan* (December 2009 release)

**Nobel Peace Prize Nominee Greg Mortenson** is a humanitarian, international peacemaker, former mountaineer, co-founder of the non-profit Central Asia Institute and founder of the non-profit Pennies for Peace. Everywhere he goes, people line up to listen to his simple message about how to change the world. Standing room-only crowds have become a trend since the publication of *Three Cups of Tea*, which has graced the *New York Times* paperback nonfiction bestseller list for more than two years, half of that at #1. This phenomenal success led it to be adapted into a young readers version (Puffin 2009) and a children's picture book, *Listen to the Wind* (Dial 2009), both of which were instant *New York Times* no. 1 bestsellers.
